

AN INDIVIDUAL EXPERIENCE

# Globe Business College Alumni Career and Further Study Paths

An important question for many students when considering their study options is ‘what can I do after graduating with this degree?’ With a Bachelor in Business Studies from Globe Business College Munich there are many options ranging from studying for a Master’s degree, to working for an international corporation, or to starting your own business.

We are very proud of what all our Globe Alumni have achieved and would like to highlight some of their chosen study and career pathways.

## MASTER’S PROGRAMMES

*Many students decide to continue their education and specialise in a particular area of business, such as finance or marketing. As a European degree with 180 ECTS credits under the Bologna agreement, our Bachelor in Business Studies allows students to undertake Master degrees at top universities all over the world. Some of the institutions where our Alumni have studied are:*

Griffith College	Leicester University
Boston University	Norwegian Business School
University of Vienna	Madrid Business School
Munich Business School	University of Monte Carlo
Harvard University	International School of Management Munich
